AMENDMENT

Dear Sir:

In response to the Advisory Action mailed August 28, 2007 for the above-referenced application, and the telephonic Interview with the Examiner conducted on September 4, 2007 (with a response due on September 12, 2007), please find the accompanying Examination Support Document containing chemical structures of compounds associated with Biological activity in WO99/62904 and consider the Remarks beginning on page 26. Also, please enter the following amendment which is a duplicate of the amendment that was mailed by Applicant on August 13, 2007, but not entered by the Examiner.

Please note: "Amendments to the Specification" are presented on page 2 of this paper, and "Amendments to the Claims are represented by the listing of claims which begins on page 6 of this paper; and the "Remarks" begin on page 26 of this paper.
